

BOOK BUG

Topanga Elementary Charter School Library

Welcome to “Book Bug!” This is a voluntary incentive reading program that is available at the school library. All grades K-6th are eligible to participate.

If your child chooses to participate, they may pick-up the grade appropriate “Book Bug” report paper (K-1st yellow, 2nd -3rd blue, and 4th -6th green) from the library, during their library class time.

Next pick a book! This can be the book borrowed from the school library, one borrowed from the public library, or one found from home. They do the report at home, once they have read or have had a book read to them. Complete (in their best work) the book report. Return it to the library at their next library visit, and receive a prize from the prize trunk!! Mom and Dad you may help (K-1st) but please let your child draw the pictures!

At the end of the school year, one child from each grade will receive a special award for the most books read! Last years winners were: Jake Albert, Bleu Ricketts, Heidi Ricketts and Hunter Steinman. Congratulations to them!

Please feel free to call or Email (Msrenfrolibrary@aol.com) me if you have any questions, or would like to donate prizes to the “prize trunk!”

Happy reading,
Mrs. Renfro-librarian

The more you read, the more you'll know. The more you know the further you'll go!!
