Dear Parents,

Welcome to the 2003-2004 school year. Please carefully review all the information in this Parents' Opening Day Packet. Included are guidelines from the Los Angeles Unified School District which we are legally required to share with you. Also included are Topanga School schedules and policies, some of which have been modified. A number of items need to be completed by you and returned to the school. **It is important that these items be returned as soon as possible!** If you have any questions, please call the school at 310-455-3711.

Thank you for your cooperation
