AGENDA ITEMS:

Recap of TEP meeting Monday

Recap of Spring Musical proposals (FOCUSFISH, UPSTAGE, THEATRICUM, STORY PIRATES). Recap of Focusfish exit and return.

Idea for three programs a year, a variety show in one semester: Spring musical and Story Pirates or something else possibly Theatricum

ACTION POINTS:

Get Story Pirates into curriculum, shoot for ideal, and put Theatricum in one semester if they agree to that. Current proposal runs over 2 semesters. Prepare proposal for TEP on Story Pirates taking out irrelevant stuff

Theatricum costs are too high, get proposal to go over one semester, not two and do it as separate from musical. Lisa and Bianca will work with Story Pirates and Theatricum. Theatricum can do something similar to house plays in one semester

Go back to back to Upstage and ask them to look at price again as we don't have a 30k budget

Get confirmation on all above and then conduct email vote, asap, Friday at latest.

Art teacher – money budgeted, now need to take to Leadership

Donations are starting to come in to art room. Request went out on nextdoor Topanga.

Tracy Murphy was voted Chair of VAPA, and accepted and Michelle Ramos offered to be secretary and minute taker. Lisa Ward is her stand in.

UPDATES:

8/27/18 SPRING MUSICAL VOTE: Focusfish won VAPA vote to produce the Spring Musical. VAPA recommended result to TEP. TEP confirmed Focusfish will produce the Spring Musical.
